

Field Institute of Taos 2025 COMMUNITY REPORT

FITaos was founded in 1996 with the mission of providing hands-on, nature-based outdoor experiences, promoting connection and healthy, active lifestyles. Thanks to our amazing community, FITaos is celebrating our 30th year of fun-filled, impactful outdoor adventures!

Bike Programs!

2025 was a year of expanded, diverse bike programs including: after school bike clubs, school programs, community outreach, summer camps, special events, race teams, and trail maintenance. Our bike programs instill **independence, physical fitness, mental health, trail etiquette, land stewardship, goal setting, commitment, teamwork, leadership, sense of place, and adventure**. We provide instruction and skills development, access to equipment, and support for youth riders of all ages, abilities, and backgrounds. We maintain over 50 bicycles of all sizes so **owning a bike is not a requirement to participate in these programs**.

2025 Highlights: a **high percentage of girls participating** in bike programs (way above the national average), **significant grant funding** for bike programs, an **increase in numbers of qualified coaches on our staff, including youth coaches**, and **two past participants returning as coaches**. 2025 grant funding and private donations to support bike programs included generous grants from **Outride, LOR Foundation, TCF's Give a Kid a Lift Fund, and more**. We also have the support of many team and event sponsors and partners. These funds combine to help us ensure access to bikes, coaching, and fun for any child who wants to participate.

A Note from our Executive Director

As we enter our 30th year, there is so much to celebrate and look forward to! Thanks to generous grants from the State of New Mexico, including the Trails+ and Outdoor Equity funds, we have several new and exciting projects underway at Base Camp. Our school programs are going strong and we have expanded our partnerships in this area. FITaos' youth leadership program continues to grow with support from the Fullwood Foundation; stay tuned for some additional opportunities for these amazing teens. Ongoing support from La Centra-Sumerlin Foundation, among others, sustains our growing team. Finally, please be on the lookout for upcoming events and a 30th Year Anniversary Party this spring!

I am so grateful to all of you for your welcome to Field Institute of Taos as I finish my first year as director. I am deeply grateful!

Dr. Elizabeth LeBlanc,
FITaos Executive Director
